Lawrence Livermore National Laboratory Presents

SCIENCE ON SATURDAY

COMPUTER SIMULATION: Exploring Nature with a Computer

Instructors: **Vic Castillo, PhD, LLNL Scientist**
and **Rodger Johnson, High School teacher**

Saturday, October 25, 2014
9:30 a.m. – 10:30 a.m.
Brentwood Community Center
35 Oak Street
FREE EVENT

Computers are becoming an increasingly cheaper, more powerful tool that cannot be ignored by professionals. Computer simulation reproduces the behavior of natural and man-made systems to help us understand, predict, and communicate. This lecture will explore how LLNL scientists use computer simulation on the world's fastest computers. We will also show you how you can get started doing your own computer simulations with free, open-source tools for class projects or just for fun! Students, teachers and parents are invited to attend Science on Saturday (SOS). SOS provides science talks with demonstrations highlighting cutting edge science at Lawrence Livermore National Laboratory (LLNL).

Highway 4/Sand Creek Road Interchange Completion Community Celebration

The Contra Costa Transportation Authority (CCTA) is pleased to invite you to the Highway 4 Sand Creek Road Interchange Completion Community Celebration. The celebration marks the completion of the Sand Creek Road Interchange, part of the Highway 4 improvement projects. The Sand Creek project includes expanding the highway from two to four lanes (two in each direction) from Lone Tree Way to Sand Creek Road, the construction of the Sand Creek Road Interchange, consisting of two overpasses, and a median that is wide enough to accommodate mass transit in the future (eBART). The celebration will span Friday and Saturday.

Ribbon-Cutting Event

Friday, October 24, 2014 from 10:30 a.m. - 11:30 a.m.
Location: The Streets of Brentwood Shopping Center
2565 Sand Creek Road
