News of the Month

Economic Development and Agricultural Grant Applications available in January

Applications will be available in mid-January for two annual Grant Programs.

The [Economic Development Grant Program](#) provides grants to help fund public events and other activities that promote business activity in Brentwood. Grants are intended for projects and programs that help promote the entire city or commercial district, rather than a specific business.

The [Agricultural Enterprise Grant Program](#) provides funding to assist local agricultural organizations with area marketing and business activities to promote Brentwood's agricultural industry.

For more information on either program, contact Peggy Trudell at (925) 516-5187 or ptrudell@brentwoodca.gov
