Applicant's Acceptance of Incentive Terms and Conditions; Certification and Release

I have read, understand and accept the Incentive Terms and Conditions on the following page. I hereby release the City, its officers, agents and employees from and against any and all claims, demands, liability or loss arising out of activities conducted by or on behalf of the City in connection with the Chloride Brine-Discharging Water Softener Removal/Replacement Financial Incentive. I understand that I may hereafter discover facts different from or in addition to the facts that I now know or believe to be true. I am advised that California Civil Code Section 1542 provides as follows: "A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor." I expressly waive and relinquish any and all rights; remedies and/or benefits I may now have or that may hereafter accrue in respect to the City's Chloride Brine-Discharging Water Softener Removal/Replacement Financial Incentive.

City of Brentwood
Chloride Brine-Discharging Water Softener Removal/Replacement Financial Incentive
Terms and Conditions

1. The prequalified plumber shall have access to the property as necessary for removal of any chloride brine-discharging water softeners, hereinafter referred to as unit(s).
2. Applicant must be present at the time of removal to permit entry and must remain present at all times during the removal process.
3. If a prequalified plumber deems the site or plumbing system to be substandard or to contain abnormalities, the Applicant property will be ineligible for the Program until all the conditions that prevent removal of any unit are corrected by the Applicant.
4. The removal of a chloride brine-discharging unit(s) is permanent and the prequalified plumber will remove the old unit(s) from the property for disposal.
5. The City is not responsible for the cost of clearing tree roots or other clogs discovered in any plumbing before or after removal of unit(s).
6. If Applicant is found to be in violation of Incentive Terms and Conditions, Applicant will be required to reimburse City for the costs for services provided and any other costs incurred by the City in connection with Applicant's participation.
7. I understand that the removal of unit(s) for which I am applying for the incentive must be disposed of ONLY by using the approved licensed plumbers on the list provided by the City.
8. I understand that the incentive will not be paid until the City verifies that the unit(s) has been removed from the residence pursuant to item 4 above.
9. I certify that I own the unit(s) to be removed and no new chloride brine-discharging unit has been installed.
10. As a condition of the application, a City representative is authorized to visit the property to verify the removal of the unit(s), or the installation of a new non-chloride brine-discharging treatment unit.
11. The City is not responsible for pre-existing conditions that may prevent the installation of a replacement device that does **not** discharge chloride brine to the City's sewer system. The incentive does not cover expenses for repair work needed to enable the installation of a replacement device.
12. I am responsible for meeting all incentive requirements, terms, and conditions and complying with state/county/city governments, property owner, and/or homeowners association requirements (if any) in my area regarding local conditions, restrictions, codes, ordinances, rules, and regulations concerning actions taken under this Program.
13. I understand that the plumbers named on City's list of prequalified plumbers are not employees or agents of the City nor do they act on behalf of City. The City is not responsible for any loss, injury or damage caused by, or related to any activities of plumbers, contractors or other third parties, whether or not listed on the City's list of prequalified plumbers, which may arise during the course of removal of unit(s) or any other activity related to this incentive.
14. Applicants with no more than two late payments and no payment arrangement or disconnections for nonpayment in a twelve-month period can request a check. All others will receive incentive payment as a credit to the City of Brentwood utility account.
15. Rebates of \$600 or more received in one calendar year may be considered taxable income by the State and/or Federal governments. The City of Brentwood is unable to provide tax advice, and if you have any questions regarding the necessity of reporting these rebates, a tax attorney should be consulted.

Instructions to Apply

APPLICANT please review and complete SECTION 1 and return to:

City of Brentwood
Public Works/Operations
2201 Elkins Way
Brentwood, CA 94513
Attention: Water Softener Removal Program

- a. Wait to proceed until you receive notification from the City of Brentwood. Please allow 10 business days for application review. When your application is approved, you will receive a NOTICE TO PROCEED letter and a list of prequalified plumbers.
- b. Upon receipt of the NOTICE TO PROCEED, please contact a plumber from the list of prequalified plumbers to schedule the removal of the unit(s).
- c. The prequalified plumber will return the unit for proper disposal and recycling and submit the application with PLUMBER'S CERTIFICATION (SECTION 3) completed to the City of Brentwood. Please allow 4 weeks for processing of your incentive.
- d. *If you are applying for the first time incentive to purchase a new device that does **not** discharge chloride brine to the City's sewer system, please include a copy of your sales receipt with the completed application. You will be contacted by a City employee to verify the installation of the unit prior to receiving incentive.*

Questions

If you have any questions, please contact the City of Brentwood, Wastewater Operations Division at (925) 516-6000 Monday – Friday 7 a.m. to 3:30 p.m.
