### Water Conservation – Winter Season

Brentwood residential water customers continue to respond to California’s drought and the City’s request to reduce water use. The City’s overall residential water use from June – September 2015 is down 43% compared to June – September 2013. Although the drought continues, your conservation efforts have allowed the City Council to make the following changes to the water conservation program, effective November 1:

- Extend the summer season and Citywide average volume for the upcoming winter season

		Current	Revised
<b>Residential</b>	Summer Season	May – October 11,000 gallons/month	April – November 11,000 gallons/month
	Winter Season	November – April 5,000 gallons/month	December – March 8,000 gallons/month
<b>Commercial</b>	Summer Season	May – October 32,000 gallons/month	April – November 32,000 gallons/month
	Winter Season	November – April 24,000 gallons/month	December – March 24,000 gallons/month

- Decrease penalties and rebates

		Water Reduction	Current	Revised
Rebates	More than 50%		\$50	\$20
	50% - 41%		\$25	\$10
	40% - 36%		\$10	\$10
Penalties	34% - 21%		\$100	\$100
	20% - 0%		\$200	\$100
	Increased Water Use		\$300	\$200

Remember there are two ways to comply to meet the City’s potable water use reduction requirements:

- 1) Reduce your water use by 35% as compared to 2013; or
- 2) Maintain your water usage at or below the Citywide reduced average.

### Clipper Coming to Tri Delta Transit Buses November 1st

Starting November 1, 2015 Clipper will be accepted on all Tri Delta Transit buses (Paratransit not included).

Clipper is the all-in-one transit card for the Bay Area, and in limited locations you can use it to pay for parking.

Your Clipper card can hold transit passes, cash value, parking value or any combination. Cash value works on all participating transit systems, and parking value works in select San Francisco garages. Passes and tickets are specific to each system.

You can add value to your card as you go, or for added convenience, you can set up Autoload, which reloads your card whenever your pass expires or your cash or parking value balance falls below a certain level.

Clipper offers discount cards for youth, seniors and people with disabilities.

A new adult Clipper card costs \$3. Clipper will waive the fee if you order your card online at [clippercard.com](http://clippercard.com) and sign up for Autoload.
