There is no better vantage point to see the Fleet Week Air Show than from directly under the planes while sailing on the iconic San Francisco Belle. We indulged ourselves on free flowing champagne, all you could eat lunch and enjoyed the background music from the on board D.J. Then we stepped onto the outer deck(s) to relax in the

sunshine and watched the jaw-dropping precision of the famous Blue Angels. What a GREAT day it was. Good food, good company and Great Entertainment.

Dear members,

A dry summer has come to an end and we brace for El Niño this fall and winter, hoping for rain falling evenly and gently throughout the state. We have events coming the next couple of months that will help raise funds for the Club and provide enjoyment for our members. Look for the Craft Fair and New Years in Paris on the calendar. The New Year's party is still available but will sell out fast. Beach Blanket Babylon sold out in less than two days so try to get your reservations for Club events early.

Elections are just around the corner. Information can be found elsewhere in this newsletter. We need qualified and motivated nominees. If you want to help mold the future of the Club or know someone who does, fill out the nomination form. If you aren't interested in being on the Board, there are many jobs that you might enjoy helping out. Whatever you decide – Vote!

May the season ahead be joyful and safe. Happy holidays to all.

### *Senior Highlights*

This issue I would like to highlight an amazing woman who has lunch at the CC Café.

Rita Walpole – 98 years old

Rita was born on October 8, 1917 in Santa Barbara, Calif. She grew up there until she moved to Alameda, CA. where she met her husband Jim Walpole at a dance. Rita worked for 24 years cleaning apartments at the

Lake Park Retirement Home in Oakland CA. Rita now lives with her son Craig and his wife Kathy and their two sons. Rita loves to bowl, although she doesn't do much of that anymore, and her hobbies are gardening and knitting. Rita comes to the CC Café every Wednesday and Thursday and her favorite thing to eat is Seafood Salad. After lunch she joins Joanne's craft class where she enjoys making wonderful things to share with her family. When I asked Rita her secret for a long life, she said she minds her own business, she has nothing to worry about, she gets along with people and she likes good looking men. Whatever it is you are doing Rita, it's working. We are so glad to have you joining us at the CC Café.

Rita is an inspiration to us all. Stop by and say hello to her, she loves meeting new people.

Donna Martin

CC Café Manager

## Winter Storm Preparations

Fall has arrived and with it, the hope of a rainy season. With this in mind, residents should begin preparing for the upcoming winter season to help prevent flooding and protect against possible losses to your property. Following are a few storm preparation tips:

- Clean and clear roof gutters of leaves and debris.
  - Clean and clear curb outlets.
  - Clear backyard drains of leaves and debris.
  - Grade property to help move water away from your home or foundation.
  - Keep front yard trees trimmed to a height of 15 feet for easy street sweeper access for leaf removal at your curb
- Properly dispose of leaves utilizing the City's [Leaf Bag Program](#).
  - If a V-Ditch is in front of your property, keep clear of debris.

Later this month, as storm season approaches, City staff will be placing a sand pile and empty sandbags at the end of Elkins Way outside the cardboard recycle area. This will be a self-filling station for Brentwood residents only and will be limited to 10 bags per household. For more information, please contact Public Works/Operations at (925) 516-6000.

## Leaf Bags

In efforts to reduce impacts to local landfills, the City will be providing free leaf bags during the fall months. These special bags should only be filled with leaves, and placed curbside on your regular green-waste pickup day. Starting October 1, leaf bags can be picked up at the Payment Center inside City Hall (150 City Park Way). For more information, please call Public Works/Operations (925) 516-6000.
